Class History

On that day in May, when a group of eighth grade boys and girls received their report cards reading "Promoted to the Ninth Grade" everyone was very excited and enthusiastic. During that summer, when we were together, we would find ourselves continually saying "I'm a freshman, glad when school starts," because we were so anxious to enter the ninth grade.

On September third, forty-five cooperative freshmen entered high school. We spread through different activities. These were basketball, football, glee club, dramatics, band, handicraft, library staff and club.

Playing basketball that year were: Faye Ramseur, Mary Neal, Ruby Furch, Betty Greene, Minnie Rowe, Bobby Warlick, Paul Carter, Marshall Sudderth, George Johnson, Willie Pope and Edward Dula.

Participating in football were: Marshall Sudderth, Walter Childs, George Johnson and William Finger.

The Glee Club had Freshmen too. They were: Bettye Greene, Walter Childs, Paul Carter, Dorothy Finger, and Willie Pope. Freshman band members were: Willie Pope, Edward Dula, William Primus, Dorothy Currye, Charles Mackey, Mary Neal and Minnie Rowe.

Members of the handicraft activity were: Marshall Sudderth, William Finger, Ruby Burch, Hubert Morrison, James Alred, Bobby Brown, Eugene McCorkle, Eugene Barringer.

Dramatic members were: Robert Warlick, James Grier, Faye Ramseur, Geraldine Gore and Conchitta Milligan.

Library Club members were: Robert Warlick, James Grier, Jack Carter and Eugene Barringer.

During that year, our home room teacher was Mrs. A. D. Jones, a very patient and understanding teacher. The most interesting event that year was the Freshman Ball. That year the class officers were: President - Edward Dula, Vice President - Mary Neal, Secretary-Conchitta Milligan and Treasurer - Nathaniel Hough.

As time changes, minds change, so by the time we entered our Sophomore year, many had dropped out of one activity to join another, but our class was still prominent in sports with Football players like Robert Warlick, Walter Childs, William Finger, George Johnson, William Primus, Charles Mackey, Hubert Morrison and Bobby Brown and basketball players like Robert Warlick, William Finger, George Johnson, William Primus, Minnie Rowe, Mary Neal, Faye Ramseur and Jack Carter.

Our home-room teacher that year was Mrs. S. K. McRae.

Returning to school on August twenty-eight 1957, we had lost quite a few classmates but those of us remaining were still determined to reach our goal "the twelfth grade." We entered the eleventh grade ready to plan for the Junior-Senior Prom. Our Principal said I quote, "the best and most orderly prom Ridgeview had had in a number of years." That year our teacher was Mrs. S. K. McRae, who made our prom possible. Without her we would not have succeeded.

September third 1958 finally rolled around. We are seniors at last. With thirty seniors and Mr. T. H. Penn as our supervisor we began the year. One of the early events was homecoming and the Miss Ridgeview contest. Our classmate Bettye Lou Greene was the winner of the contest.

Our history would not be complete without expressing our gratitude to our Principal, Faculty and most of all our Parents who made it possible for us to attain this goal as Seniors of 1959.
